USAREUR & 7th ARMY
ON POINT FOR THE NATION

EFFICIENT BASING EAST UPDATE TO USAREUR DCG IPR No. 4

28 AUG 02

Agenda

Efficient Basing East

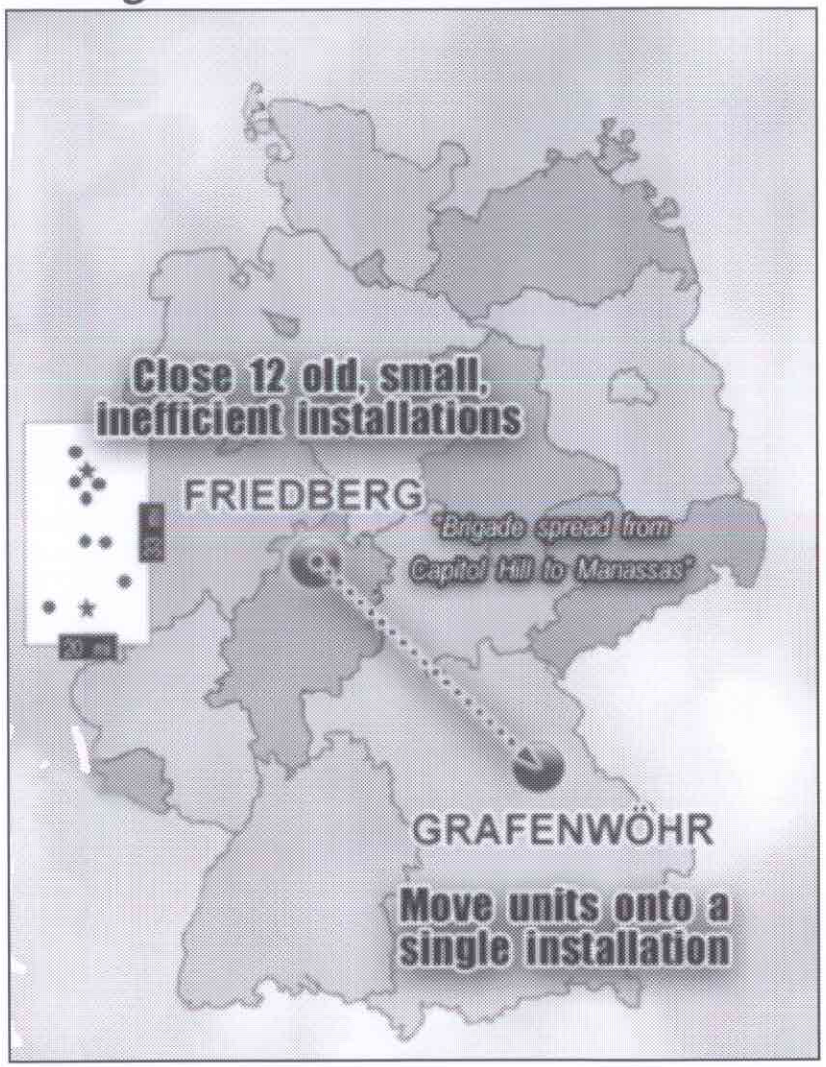
- Overview
- Summary of Key Issues
  - Medical
  - AAFES/DECA
  - DoDDS
  - Installation Closures
- Construction Program Update
- Conclusion

The Concept

"Move a Brigade Combat Team to Grafenwoehr"

Strategic Benefits

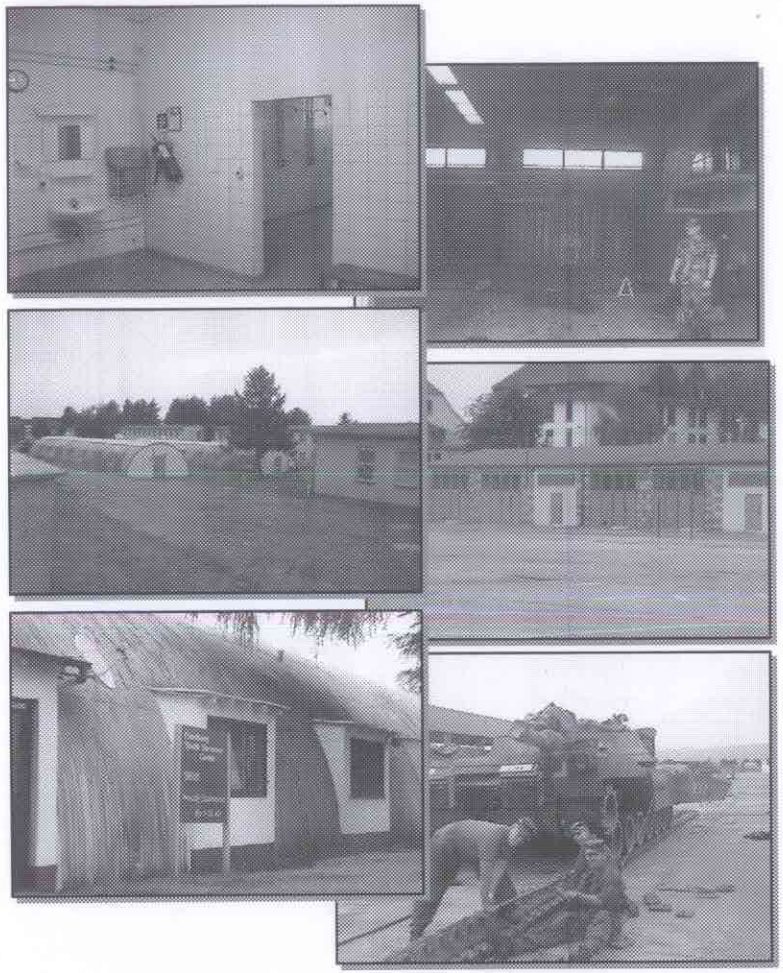
- Excellent Local Training Areas; Immediate Access to Major Training Area
- Enhanced Command and Control of Brigade assets
- Area has Mature, Well Exercised Railhead System & Bulk Fuel Site
- Near Deployment Airfield in Nürnberg



Well Being Enhancements

- Vacate some of the worst facilities in Europe
- Living, working, retail, and recreation facilities on one installation
- New, Modern Maintenance Areas and Operations HQs
- New Barracks & Build-to-Lease Housing
- New Child Development, Youth Activity & Physical Fitness Centers
- New, Centralized PX and Commissary Complex

Why Move?



Improve Well-being & Consolidate Forces at Grafenwoehr

Save $19M Annually

Less Costly Access to Training Facilities –

- No More Trains
- No More Convoys
- Less Wear & Tear on Equipment

Payroll Savings –

- Net Decrease in Civilian Positions
- 1 Base Support Battalion for 2 Brigades

Better, Less Costly Force Protection --

- Places Units on a Single Installation
- Eliminates Guard Contract at Closed Facilities

Reduction in Facility Square Footage -

- Close 12 Installations
- Reduces Over 5M Square Feet
- Provides New Brigade Facility Complex

No matter how much money we spend.....

- ***Existing Sites Cannot Efficiently Support a Brigade Combat Team***
- ***Delays adversely affect over 8000 soldiers and their families On Point for the Nation***

Why Grafenwoehr?
