

SECTION F  
DELIVERIES OR PERFORMANCE

1 52.212-4603 DELIVERABLE DISTRIBUTION

The specified number of deliverables listed on the DD 1423, Contract Requirements Data List are the minimum number required. Each order will state specific numbers and addresses which are in addition to those stated on the DD Form 1423. The contractor will submit the additional copies directly to the addresses provided in each individual order.

(End of clause)

2 52.212-4625 ORDERING AND PERIODS OF PERFORMANCE

The term for issuing orders under this contract shall commence upon award of the contract and end 12 months from that date. Additional 12 month periods may be established upon exercise of options for those periods. Notwithstanding the expiration date of this contract, the contractor shall complete performance and deliveries of all delivery orders or modifications thereto which are issued prior to 2400 hour midnight, of the expiration date of the contract provided such performance does not exceed one hundred eighty (180) days thereafter. The period of performance will be specified in each delivery order. Job rates in effect at the time of ordering apply regardless of duration of the performance period.
