Huntsville Center issues \$388 million in contracts to several firms across the United States

HUNTSVILLE, Ala. – The U.S. Army Engineering and Support Center, Huntsville, has awarded contracts, not to exceed \$388 million to four contractors.

The contracts were awarded to the following four firms: Syska Hennessy Group Construction, Inc., of Los Angeles, Calif., BMAR & Associates, LLC, of Hopkinsville, Ky., J&J Maintenance, Inc., of Austin, Texas and John J Kirlin Special Projects, LLC, of Rockville, Md.

These contracts require the firms to provide quick responses for the repair of medical facilities renovation, equipment procurement/installation and maintenance services on installed equipment systems at Government medical facilities, officially identified as Medical Repair and Renewal (MRR).

The contractors shall also provide construction efforts to include architectural, mechanical, electrical, civil, structural and cost, as well as environmental and hazardous materials abatement of government medical facilities.

These contracts are Indefinite Delivery/Indefinite Quantity Contracts, base year with four option years.

The firms will perform work throughout the continental U.S., District of Columbia, Alaska, Hawaii, and U.S. territories and possessions.
