## 1.0 AUTHORIZED BPA USERS

1.1 Pursuant to Federal Acquisition Regulation (FAR) Subpart 8.4, this BPA is established in response to the terrorist attack on the World Trade Center (WTC) and Pentagon on 11 September 2001. Its purpose is to enhance physical security, anti-terrorism and force protection at Army installations worldwide. This BPA will provide

support to the Product Manager, Physical Security Equipment (PM-PSE) while carrying out its physical security equipment mission.

1.2 All orders will be authorized by the Product Manager, Physical Security Equipment (PM, PSE) prior to issuance.

## **2.0 TERM OF BPA**

The term of this BPA is thirty-six (36) months. However, if the underlying GSA FSS contract expires or is terminated prior to expiration of the BPA, the BPA shall be deemed to be terminated or to have expired, except that any outstanding Task/Delivery Orders shall be performed up to their completion dates to the extent permitted by the underlying contract. In addition, the BPA may be terminated during the thirty-six (36) month term by either the Government or the BPA holder.

## **3.0 ORDERING**

Ordering will be decentralized. The Task/Delivery Order Contracting Officer will be responsible for ensuring compliance with any applicable laws, regulations, or policies that may apply to a particular order. The ordering period for all items and services under this BPA is the same as the duration of the BPA set forth in paragraph 2.0 above.

## **4.0 PREVAILING TERMS AND CONDITIONS**

All orders placed against this BPA are subject to the terms and conditions of the GSA FSS contracts. The terms and conditions included in this BPA apply to all orders issued pursuant to it. In the event of an inconsistency between the provisions of the BPA and the GSA FSS contract, the provisions of the GSA FSS contract will take precedence.

## **5.0 OBLIGATION OF FUNDS**

This BPA does not obligate any funds. The Government is obligated only to the extent of authorized orders issued under this BPA.

## **6.0 ESTIMATED VOLUME**

The Government estimates, but does not guarantee, that the dollar value of orders issued through this BPA will be approximately \$260,720,000.00. There is no minimum quantity of products or services required to be ordered under this BPA. Further, the Government may satisfy any of the requirements of this BPA through means other than this BPA.

## **7.0 PRODUCTS AND SERVICES AVAILABLE UNDER THIS BPA**

7.1 Products and services set forth in Delta Scientific Corporation's GSA FSS Contract GS-07F-9982H are provided by this BPA. Attachment A (provided by the BPA holder) contains a listing of all products and services provided by the BPA. Attachment

A contains the FSS contractor's name, FSS contract number, FSS ordering number, name and description of the product and service available under this BPA with accompanying BPA discounted rates. Unless otherwise specified, pricing discounts shall be applicable to all years currently covered under the applicable FSS contract.

7.2 Products or services that are not set forth on the BPA holder's GSA FSS contract may not be included in Attachment A.

## **8.0 PRICING**

8.1 Unless otherwise specified, price discounts will be in effect for the term of the BPA. No minimum or maximum ordering limitation applies to this BPA.

8.2 The prices (firm fixed prices and fixed labor rates) included in the BPA shall apply during the performance period for an order. The discounts set forth in this BPA will be applied to any increased or decreased GSA FSS prices. The BPA holder shall update the BPA price list within 24-hours of a change in Schedule prices to insure that the BPA pricing remains current. Also, the BPA holder can voluntarily reduce prices at any time by giving 24-hour advance notice (by facsimile or electronic-mail) to the Contracting Officer. When in effect, the new price list will be posted on the BPA holder's Internet site. Additional discounts for individual orders are also allowed. No BPA price increase shall take effect until the Contracting Officer receives written notification. Any order already issued shall not be affected by any change to BPA pricing.

8.3 The firm fixed prices for this BPA are based on the GSA prices provided at Attachment A and the price discounts identified therein. The BPA discounted prices replace all GSA FSS contract discounts.

8.4 The prices set forth in the BPA will undergo annual review by the BPA Contracting Officer.

## **9.0 REQUIREMENTS**

9.1 The Product Manager, Physical Security Equipment (PM-PSE) provides centralized acquisition management for Army and Joint Services Physical Security Equipment Programs and assists other Federal Agencies in the development and acquisition of physical security equipment. PM-PSE is responsible for providing cost-effective, state-of-the-art Physical Security and Force Protection equipment to installations and forces deployed worldwide.

9.2 PM-PSE has an immediate requirement to provide non-personal services and products to support Army installations worldwide.

a. Typical types of products we anticipate for future requirements include any or all of the following systems, subsystems, or components:

- (1) Ballistic Booths
- (2) Fixed and Movable Barriers

b. Typical types of services we anticipate for future requirements include those associated with installation, integration and maintenance of the Ballistic Booths and Fixed and Movable Barriers.

### **9.3 WARRANTY AND/OR EXTENDED WARRANTIES**

The BPA holder shall provide a twenty-four (24) month warranty period. The warranty and/or extended warranties shall be provided for both supplies and installation.

### **9.4 OTHER BPA REQUIREMENTS**

9.4.a The BPA holder must have the capability to complete installation work at Continental United States (CONUS) and OCONUS sites on a concurrent basis when appropriate.

9.4.b The BPA holder must have the capability to maintain a current BPA schedule of products and services on a Web Site available to potential users on a seven days per week and a 24-hour a day basis.

### **10.0 CONTRACT MANAGEMENT**

10.1 The BPA holder shall maintain a status review process for planning and controlling the activities necessary to meet the requirements of this BPA.

10.2 Monthly Status Report. The BPA holder shall provide a monthly status report by project (within 5 calendar days of month-end) of the status of orders which shall include, as a minimum, the number of orders received, the status of each order. The BPA holder shall provide the report electronically to the USA CECOM Acquisition Center – Washington Procuring Contracting Officer (CAC-W PCO) and the Product Manager, Physical Security Equipment. The report shall be provided to the following email addressees:

## 12.0 DELIVERY

Delivery shall be in accordance with individual orders issued under this BPA. The BPA holder shall start accepting orders upon issuance of the BPA. Delivery to the addressees specified in each Task/Delivery Order shall be within 30 days in the CONUS and 60 days OCONUS from the date the order is received by the vendor from a designated Contracting Officer. A delivery order is considered to be placed based on the effective date of order signed by the Contracting Officer.

## 13.0 MISCELLANEOUS

### 13.1 TDY-TRAVEL

13.1.a DoD's Per Diem, Travel and Transportation Allowance Committee has issued guidance deleting the authority to use Invitational Travel Orders (ITOs) to authorize travel and transportation for Government contractors or contractor employees. Implementing revisions appear in Change Number 404 of the Joint Travel Regulation (JTR), and Change Number 150 of the Joint Federal Travel Regulations (JFTR). These changes were effective 1 June 1999.

Contractors and contract employees shall travel on travel costs included in their contracts pursuant to FAR 31.205-46. Contractor employees will file a travel voucher with their employer (the contractor) for reimbursement; they can no longer settle their travel expenses through DFAS Travel Pay or Vendor Pay. There will be no exceptions to these changes.

13.1.b Travel will include frequent local area meetings and less frequent trips to contractor facilities at various locations throughout the CONUS and OCONUS areas. All travel will be set forth in individual Task/Delivery Orders and shall be in accordance with the Joint Travel Regulations. Travel will be reimbursed only to the maximum of the Official Government per Diem rates.

## **13.2 SECURITY REQUIREMENTS**

Work under this BPA shall be unclassified.

## **13.3 INSPECTION AND ACCEPTANCE**

Inspection and Acceptance of products and services shall be performed by a duly authorized Government representative identified in individual orders.

## **13.4 GOVERNMENT FURNISHED FACILITIES AND EQUIPMENT**

The Government may be required to provide facilities and equipment to the BPA holder in performance of task under this BPA. This will be addressed in individual Task/Delivery Orders issued under this BPA. All Government provided equipment will be returned to the Government upon completion of task. The Government reserves the right to provide GFE to be integrated and installed by the BPA holder, as described in individual Task/Delivery Orders.

## **13.5 INCIDENTALS/EMERGENCY ITEMS**

Incidental items (items not acquired pursuant to a GSA Schedule) are outside the scope of this BPA. However, if deemed necessary for the total product solution of a specific Task/Delivery Order such incidentals may be ordered under this BPA after compliance with applicable acquisition regulations. For example, incidentals with a total value at or below the micro-purchase threshold (currently \$2,500) may be ordered if acquired pursuant to FAR Subpart 13.2.

### 13.6 PAYMENT OFFICE

The payment office shall be identified on each Task/Delivery Order issued against this BPA.

### 13.7 REPRESENTATIVE OF THE CONTRACTING OFFICER

The following names are the Contracting Officer's Representatives (CORs) at the appropriate office and are authorized to act as official representatives of the Contracting Officer.
