News Release

Number: 07-006
Date: Feb. 21, 2007

Huntsville Center employees recognized for supporting Corps of Engineers hurricane recovery effort

HUNTSVILLE, Ala. — More than 40 employees of the U.S. Army Engineering and Support Center, Huntsville received recognition for going above and beyond to quickly help the areas devastated by Hurricanes Katrina and Rita.

Twenty four employees received the Civilian Award for Humanitarian Service for their work in Louisiana, Alabama, Mississippi and parts of Texas in the weeks directly following Hurricanes Katrina and Rita.

Twenty five employees received the Armed Forces Civilian Service Medal for providing substantial support to the disaster relief operations in the effected areas. These medal recipients may or may not have deployed to the effected areas, but still provided critical assistance to the disaster relief operations.

Recipients of the Civilian Award for Humanitarian Service include:

Raul E. Alonso

James A. Dunn

Keshia M. Appkins

Arkie D. Fanning

Lequita Y. Byrd-Craig

Brett W. Frazier

Karan N. Dougherty

Anthony E. Gibson
