Huntsville Center recognizes past employee for dedication, service

By Jo Anita Miley
Public Affairs

Huntsville, Al.-- The U.S. Army Engineering and Support Center, Huntsville's Gallery of Distinguished Civilian Employees identifies, recognizes and honors civilian employees distinguished for their service to the Center, the Corps of Engineers and the U.S. Army.

This year's inductee was Michael (Mike) Rogers. Rogers served as the former Deputy for Programs and Technical Management for Huntsville Center from 2001 – 2004. He received Distinguished Civilian Employee status during an awards ceremony at the Center July 8.
