

INDUSTRY DAY CONFERENCE

**UTILITY MONITORING AND CONTROL
SYSTEMS (UMCS) PROGRAM**

The University of Alabama in Huntsville
Chan Auditorium (Administrative Science Bldg)
Dec 11, 2007 ♦ 8 am – 5 pm

**US Army Corps
of Engineers ®**
Huntsville, US Army Engineering
and Support Center

PURPOSE: To present the Army's contracting objectives and requirements for the Utility Monitoring and Control Systems (UMCS) Program and gather information to assist the organization in structuring the overall acquisition strategy for the next generation of contracts based upon the assessment of Industry capability/capacity.

WHO SHOULD ATTEND: All interested/potential offerors should attend this event. For those who cannot attend, the day's activities will be documented and posted to the Huntsville Center web site.

TO REGISTER: Please access www.hnd.usace.army.mil/umcs/IndustryDay/Registration.aspx to complete the registration form. A map link depicting the location of Chan Hall (Bldg 14) on the UAH Campus is also provided for your convenience. Attendance is limited to 2 representatives for a large business and 3 for a small business or representatives from a teaming arrangement.

ON-SITE REGISTRATION: On-site registration will be from 8 to 9 am for those who do not register online.

AGENDA: The agenda will include presentations regarding each of the various aspects of the Program as well as the Performance Work Statement, Contracting, Legal, and Small Business considerations. UMCS technical presentation highlights will include:

- **HVAC Systems**
- **Fire Alarm Systems**
- **Metering**
- **SCADA Systems ((Supervisory Control and Data Acquisition)**
- **Maintenance and Service**
- **Electronic Security Systems**

Lunch will be on your own. The afternoon session will consist of a panel discussion based upon questions submitted during the morning session. The presentations and official responses to questions received will be posted to the HNC Website at

www.hnd.usace.army.mil/umcs/IndustryDay/

On behalf of the U.S. Army Engineering and Support Center, Huntsville, and the UMCS Program, I would like to take this opportunity to sincerely thank you for your interest and participation in this mission-critical acquisition as we, at the Corps, endeavor to continuously deliver the highest quality support to our Warfighters and the communities that support them.

COL LARRY D. McCALLISTER, Commander
